SMART Cars of Germantown – SMART car
Diesel Tech Forum - clean diesel vehicles
Electric Vehicles Association, DC – Electric SUV or Truck and electric lawn tractor
Len Stoler Automotive Network – Escape Hybrid
Thompson Gas – propane vehicles
United Parcel Service – two vehicles: UPS Hybrid package car & truck
Merit Builders – electric car
Instant Access Networks, LLC – EMP safe, renewable energy-powered trailer and truck
Central Maryland International Trucks – green truck

Renewable Energy Solutions

Claud Kitchen – Outdoor School
Delta Engineering, Inc. – solar electrical mechanical design and engineering
Easterday Well & Pump – water well and geothermal drilling
NPC Solar – solar-powered hot water heater trailer
Solar Energy World – Solar electric and solar hot water
Standard Solar – Solar PV products and a solar-powered Prius
Sunoptics Prismatic Lights – daylighting trailer
Timber Rock Energy Solutions – Solar energy solutions
Canadice Construction – solar-powered car and generator

Green Alternatives

Smart E2 Solutions – Energy and environment solutions
Schwind Systems - concrete
American Consulting Services – green consulting
Shaklee Independent Distributors – organic products
The Essential Element – water purification
Eco House – Energy Auditing
